

**John Proskovec – Kiewit Corporation**

John has worked for the Kiewit companies since 1987. He is currently an area manager and vice president for Kiewit Infrastructure South Co. He has executive oversight for all construction projects in the State of Louisiana.

Since 2006, John has overseen more than \$3.5 billion in construction projects in Louisiana. Many of these projects were constructed for the USACE - New Orleans District post-Katrina. The projects include the \$1.1 billion Gulf Intracoastal Waterway West Closure Complex, the \$700 million design-build Permanent Canal Closures and Pumps, and several other pump stations, flood walls, and levee projects.
